## CHILDREN'S FROCKS IN LIBERTY-FABRICS

The matter of Children's Frocks — the consideration of design and material in relation to the purpose of the dress — is a distinctive feature of Messrs. Liberty's business. The frocks here illustrated are made from Liberty-fabrics and in the Company's own workrooms, and, while every phase of child life is provided for, the alluring picturesqueness to which childhood is entitled is never lost.

To meet individual requirements special sketches are prepared and submitted free of cost . . . .

An inspection is invited of the frocks now on view at the Showrooms . . . . .
